

Ten Green Bottles

(Sing to the tune of 'Ten Green Bottles'.)

Ten green bottles standing on a wall,
Ten green bottles standing on a wall,
And if one green bottle should accidentally fall,
There'll be nine green bottles standing on the wall.

Nine green bottles standing on a wall ...
There'll be eight green bottles standing on the wall.

Eight green bottles standing on a wall ...
There'll be seven green bottles standing on the wall.

Seven green bottles standing on a wall ...
There'll be six green bottles standing on the wall.

Six green bottles standing on a wall ...
There'll be five green bottles standing on the wall.

Five green bottles standing on a wall ...
There'll be four green bottles standing on the wall.

Four green bottles standing on a wall ...
There'll be three green bottles standing on the wall.

Three green bottles standing on a wall ...
There'll be two green bottles standing on the wall.

Two green bottles standing on a wall ...
There'll be one green bottle standing on the wall.

One green bottle standing on a wall ...
There'll be no green bottles standing on the wall.
