

# Into The Brick House Song

*(Sing to the tune of 'Baa, Baa, Black Sheep'.)*

Poor 1st piggy, the wolf blew down  
your home,

Knock knock, knock knock, 1st  
piggy is alone.

Puff on the straw house, puff on  
the sticks,

Puffs blew down their homes, but  
you can't puff bricks!

“Thank you,” to their brother.

“Thank you,” said the pigs.

“Thank you,” both pigs said,  
To the pig who built with bricks.
